OPPORTUNITY IS KNOCKING . . .

Fellow members I want to share some great news that I would like you to share with others.

For years, the waiting list to become a member of the Sudbury River Tennis Club had been 5 years or more. This meant that if you wanted to be a member, you had to wait . . . and wait . . . and wait. Not anymore.

Right now, our waiting list is only one year! Please let your relatives and friends know so they can take advantage of a unique opportunity.

Just so you know, up until now we take approximately 50 new members from the waiting list each year. In 2011, our waiting list was two years long. This situation will not last. We are aggressively expanding our waiting list. We are letting the membership know prior to our more public waiting list drive that starts later this Summer. *Don't Wait!*
